WHY WE ARE CALLED ALT.

Things are a bit **ALT-ERNATIVE** at Alt. Pizza. We start with the **FRESHEST** ingredients including dough **MADE DAILY** from a blend of French and Italian **SOURCED** flour and our award-winning sauce pressed from California Saporito **VINE-RIPENED TOMATOES**

Our pizzas are never frozen, never artificial...
never **COMPROMISED**

When you order, we build your pizza from **SCRATCH** and fire-bake to **500 DEGREES** which locks in the **NATURAL FLAVOURS** and forms a thin **CRISPY & CHEWY** crust in minutes
